Feedback from Spring Harvest

Some of us from St Martins Church went this year to Spring Harvest in Minehead. The focus this year was on One God - who he is and what he is like. We learnt about our understanding of God shapes how we live out our faith. We were reflecting on God as the Lord of all creation. The Archbishop of Canterbury gave an inspiring lecture on this subject. Graham Kendrick led the worship and taught us some of his new worship songs. It was a challenging time and we hope that going there has strengthened us as Christians. It cut away a lot of what is meaningless and emphasised what is important about our faith. It was so encouraging to be surrounded by hundreds of other Christians, as we live in an increasingly secular world. Perhaps others will consider going next year. (I have booking forms should anyone be interested) Gifted speakers unpack the Bible and deliver fresh understanding, talented musicians lead powerful, vibrant worship. There are tailor made programmes for children and young people, additional workshops to study in a way that suits you. Plus, it is a time to relax and meet new friends. We certainly came away refreshed and equipped. It could be something to think about for next year. You never know, it could change your life...Michaela.
