The remaining 8 unused letters can be arranged to form a **mystery answer** which will be revealed in the next issue.

SIGNS

Welcome to the new *bigger* SIGNS group. From the bottom left : Jamie, George, Sean, Kelly, Beth, Amy, Megan and the headless Sam with teachers Jenny McManus, Janet and John Sayers.

Juniors

All the junior children are currently learning about Elijah the Prophet in the wilderness. In particular learning about how: *God will look after us and provide all that we need if we put out trust in Him.*

Younger group right to left: Christa, Sophie, Charlotte and Emilia. They are holding up their drawings of black ravens who took food to Elijah

Older Group Bethany, Cian, Jacob and William have been making origami ravens using paper, pens, black feathers and lots of glue. All the childrens art work can be seen on the Junior Church board in the hall.

Summer Holidays

The most popular holiday activity of the holidays has been setting of on camping trips. Destinations have included France, Somerset, Cornwall, Lee Abbey, Trefan Mills and The New Forest. Jacob tried surfing for the first time and Sean really enjoyed his first try at kayaking. Other holidays included trips to Ireland, France and America. Jack and Lauren visited Longleat Safari park in Wiltshire, their highlight of the day was when they stroked tigers and scratched a rhino's back. Megan and her friends had a brilliant time going to see McFly in concert.

They younger group preferred activities closer to home and had a fantastic time horse-riding, swimming and playing on the beach with their friends.

Harrison and Sidonys' holiday unfortunately did not go as planned. Harrison said that one of the highlights of the holiday was seeing the Post Office tower for the first time in his life as he could see it from his hospital window. We all wish Harrison a speedy recovery and are looking forward to seeing him and Sidony joining us all in Junior Church soon.
