## SIGNS

A big welcome to Sarah Andrews, our newest SIGNS teacher. The group have been discussing the Harry Potter films and its use of horoscopes, astrology and lucky charms.

Using the Grid Magazine and through bible studies Sarah has been focusing on families, respect, relationships and friendships and applying these topics to their own friends & family circle.

**Noticeboard:** **Amy** has been on a school trip to Belgium, returning with loads of chocs! and **Megan** went to New York also with her school. **Jack** is going to the Simple minds concert at the Dome in March, have a great time!. **Sean** is playing violin in a music concert in March, good luck.

## Juniors

Junior church members are studying the parable of the Good Samaritan, Luke 10, ver. 25-37 and focusing on being a *good neighbour*.

**Younger group** include Matthew, Emilia, Charlotte and Libby with Teacher Sue. Their photo shows them colouring in a picture board of the parable

**Older Group** are Lauren, Izzy, William and Scarlet. They are making a storyboard of the parable, breaking down the events into sections creating a comic-strip which will be displayed on the noticeboard.

**Notices:** We wish **Lauren** a great time on her school trip to *Little Canada*.

*Work in progress* from our younger members.
